

For access to the TRACE course (Tracing Climate Change)

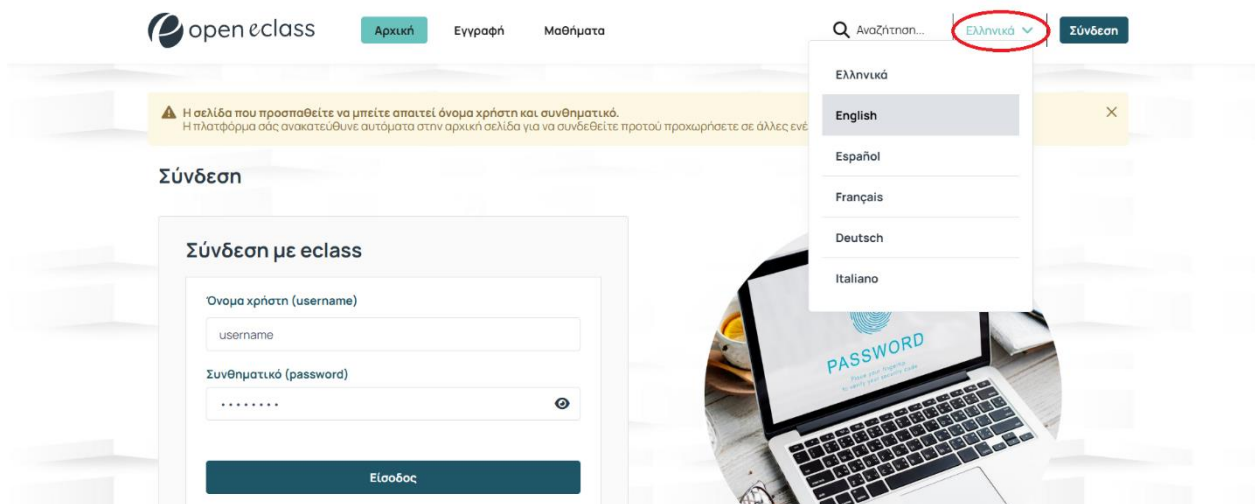

The material created in the framework of the Erasmus+ TRACE project (Tracing Climate Change), including documents, videos, links and exercises, is included in the GUNET platform (<https://eclass.gunet.gr/>). This is an open platform offered by the National and Kapodistrian University of Athens, offering multiple options to students, tutors and the communication between them. To access its contents, you need to follow these steps.

Step 1 – Registration

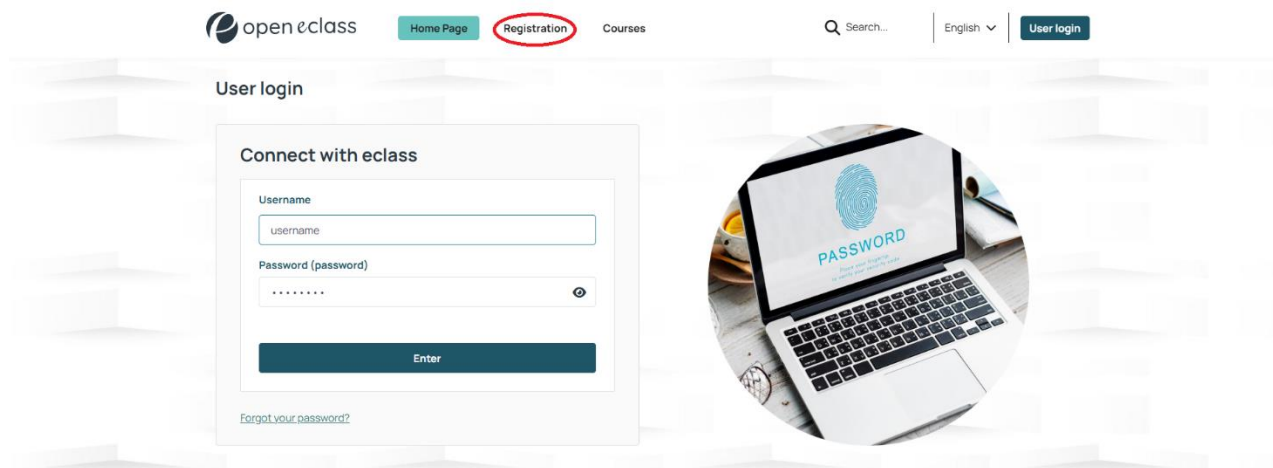

In order for you to access the platform, it is necessary to enroll yourself.

Use the link: <https://eclass.gunet.gr/courses/OCGU246/>

In the first page, on the upper right corner, choose “Ελληνικά”, in order to set your preferred language.

On the upper left side, choose **“Registration”** and **“New Account Registration”**.

Fill in the required information.

Click at the field **“Faculty”**, click on the **“+”** button of **“Ακαδημαϊκό Διαδίκτυο GUnet”** and then **“Ανοιχτά Μαθήματα”** (see screenshot below). Click **“Select”**. Afterwards, finalize the procedure by clicking on **“Registration”**.
